Program Requirements

- All animals identified with a AngusPure Source and Trace (APST) are sired by a AngusNZ or PRAC registered bull and the Dams of the animals identified are at least 50% Angus. All cattle with AngusPure tags must be 75% Angus No Exceptions.
- Your name and address may be listed in a buyers directory for AngusPure Members, store stock buyers and processor etc, searching for APST cattle. Your information will not be sold or provided for any other purpose. I authorize AngusPure Source and Trace to provide my contact information and animal description to potential Buyers
- AngusPure reserves the right to verify AngusPure Source and Trace participants' use of APST tags through documentation and on farm audit by an AngusPure representative. Misuse may result in losing the right to having additional cattle tagged and certified.
- \$2.00 central database ident fee will be added to each tag. Tags cannot be purchased without the animal being enlivened in the central database.

I have read the program requirements (above). I understand I am responsible for the accuracy of the information I provide to AngusPure and release AngusPure from any liability from any omissions or errors in the information provided.
