I hereby authorize the Transfer of the above animal/s for recording in the database of AngusNZ. Both Male and Female transfers require the animal to have a SNP DNA profile, sire verification, and be tested free of AM, CA, NH & DD genetic conditions. The Vendor is responsible for making sure an animal meets transfer requirements, and completion and recording of the transfer of any animal. Transfer fees are payable by the purchaser. Any animal not transferred within 120 days of sale will incur a late transfer penalty of \$250.00, payable by the vendor.
